

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, please go to: www.umar.com (for medical/surgical services) and www.optumrx.com (for prescription drugs) or call the phone numbers on the back of your UMR ID card. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers		Why This Matters:
	In-Network	Out-of-Network	
What is the overall <u>deductible</u> ?	\$300 person \$600 family Does not apply to prescription drugs or preventive care.	\$400 person \$800 family Does not apply to prescription drugs or preventive care.	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1 st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. In-network <u>preventive care</u> , office visits and prescription drugs are covered before you meet your <u>deductible</u> .		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	There are no other specific <u>deductibles</u> .		You don't have to meet specific <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$6,850 person \$13,700 family	\$13,700 person \$27,400 family	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, self-payments, balance billed charges, dental, vision and health care this plan does not cover.		Even though you may be required to pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.umar.com and www.optumrx.com or call the phone numbers on the back of your UMR ID card for a list of participating providers.		If you use an in-network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <u>provider</u> for some services. Plans use the term in-network, <u>preferred</u> , or participating for <u>providers</u> in their <u>network</u> . See chart starting on page 2 for how this plan pays different kinds of <u>providers</u> .
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No. You don't need a referral to see a specialist.		You can see the <u>specialist</u> you choose without permission from this plan.
